### MANAGER'S MESSAGE

Kansas State Shorthorn and Polled Shorthorn breeders have consigned their best to this sale. Most of the registered Shorthorn breeders over Kansas sell in this sale. Both Shorthorn and Polled Shorthorn cattle will show and sell together. More "out of State" buyers purchase cattle in this sale than any other purebred sale in Kansas.

Kansas ranks near the top in registrations of pedigrees in the United States. We also rank among the best in quality of cattle.

In this sale we have strong, aged bulls ready for heavy service. Many young bulls that will mature into rugged stock bulls. We have 45 head of females, both bred and open heifers. The heifers, like the bulls, are some of the breed's best. Just study the pedigrees back of each individual selling, and you will want to attend this 1968 Kansas sale event.

The schedule for this year will be:

Thursday, October 31, 1:30 p.m.—Show of breeding cattle.

Friday, November 1, 9:00 a.m.—Junior Shorthorn Association "Buy A Calf—Show A Calf" show; sale at 11:00 a.m.

The Junior Show will consist of 15 heifers and about 25 hand picked steers. The registered cattle will sell following the Junior Association sale. The quality of the calves consigned to this sale will be very good.

If you would like to start a new herd or add to your present herd of Shorthorns, I am sure you could find the right kind of cattle here. This "two day" show and sale will give you the time to select the kind of breeding cattle that could prove out to be just what you are needing.

Plan to attend annual meeting and buffet dinner, Thursday, October 31, 7:00 p.m., Royal Inn Motel, 15 W. Fourth Street, Hutchinson, Kansas. Sale Headquarters are—Royal Inn Motel.

**STANDARD GUARANTEE**  
**(Recommended by American Shorthorn Association)**

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
